Locally owned by tai chi/kung fu master Thomas Gohring, Kick Butt Coffee Music & Booze has been a hot spot for locals since 2008! From our single-origin coffee to fresh pastries and parfaits, everything we offer at Kick Butt is of the highest quality; our tacos are no different! We use fresh ingredients and small-batch cooking techniques to ensure maximum flavor and awesomeness. Whether you're looking to feed 10 or 100, Kick Butt has a kick butt solution to feed your group!

All tacos start with a fresh, local El Milagro tortilla. Fresh-cracked eggs, shredded cheddar, and crispy bacon or diced Elgin sausage make up the two top-selling tacos. On the veggie side, our in-house roasted red potatoes go into both the potato, egg, cheddar taco, as well as our refried black bean, potato, cheddar taco. All taco orders include our delicious homemade salsa! As for yummies, they're bigger, bolder, and more butt-kicking than our standard tacos. Email for more flavors and info! fizgig@kickbutcoffee.com
