Coffee ☯ Breakfast Tacos
Sausage Wraps ☯ Muffins

Locally owned by tai chi and kung fu grandmaster Thomas Gohring, Kick Butt Coffee has been the local hangout since 2008! From our single-origin coffee to our made-from-scratch, fresh-baked muffins, pastries, and sandwiches, everything we serve is top-tier—and our tacos are no exception. Our muffins are baked daily with love and the freshest ingredients—they're a must-try! We use fresh ingredients and small-batch cooking to maximize flavor and awesomeness. Whether you're feeding 10 or 100, Kick Butt has a kick-butt solution for your crew!

All our tacos start with a fresh, local El Milagro tortilla. Our two fan-favorites are packed with fresh-cracked eggs, shredded cheddar, and your choice of crispy bacon or diced Meyer's sausage. For the veggie lovers, we've got in-house roasted red potatoes in both the potato, egg, and cheddar taco and our homemade refried black bean, potato, and cheddar taco. Every taco order comes with our delicious homemade salsa—because we don't play! And our special "yummy" breakfast tacos? They're bolder and more butt-kicking than our standard tacos—they're straight fire!
